GEYSER NEWS  
October till Mid-November 2021

**Hello to You All, How's Everyone Doing?**

At the time of writing this Newsletter, we are still in Lockdown Level 2. We have a bit more freedom than level 3 & 4 but Government guidelines for Level 2 still have restrictions on what we can and can't do safely.

Due to these restrictions, the Market Day in October has had to be cancelled. We are hoping our Market Day in December will go ahead as lockdown levels reduce. More about that in November newsletter. Coffee mornings & AGM will still go ahead at present lockdown level 2.

Keep Safe and Please, Follow the Ministry of Health Instructions.

**VACCINATION** is the key to success and hopefully we will be able to get on top of the virus again, as we did last time.

Please Notice This

**What we need to do in Alert Level 2**

**Attending a Social Club Get-Togethers**

Scan in using the NZ COVID Tracer app if you can, or use another method. This helps with rapid contact tracing if it is required.

If you are around people you do not know, it is a good idea to wear a face covering.

Use basic hygiene measures, including washing your hands, coughing or sneezing into your elbow and cleaning surfaces.

Stay Home if you are unwell or if you have been asked to isolate

Try to keep 1 metre away from people you do not know

Avoid congregating or gathering at entrances or in small shared spaces such as the bathroom

Limit physical contact with people who are not your family or friends

Avoid sharing food and drinks with people you do not know

When we all keep to the rules and if we all are vaccinated we will help our families, Friends and Everybody Else.
